STAMPEDE[™] 4X4

PUSH ITS LIMITS. TEST YOUR OWN.

The Stampede is made for all-day, everyday use with 80HP and 59 ft-lb of torque, which establishes efficiency, power and total domination in the same machine. The precision-tuned, four-wheel independent suspension enables you to tackle any terrain without feeling it the next day. And with industry-leading and specialized storage space, you can pack everything you need to get the job done.

Vehicles as photographed may include options not included on base model. *Optional colors may be applied at an additional cost. WARNING: Textron Off Road vehicles can be hazardous to operate. For your safety, never ride on paved surfaces or public roads, and avoid excessive speeds. Never carry more passengers than the vehicle is designed for. All riders should always wear a seat belt (side-by-sides), helmet, eye protection, and protective clothing. Never engage in stunt driving, and avoid sharp turns. Riding and alcohol/drugs don't mix. Textron Off Road recommends that all operators take a safety training course. For safety and training information, please see your dealer or call 1-800-887-2887 (ATVs) or visit www.ROHVA.org (Side by Sides). Textron Off Road vehicles are for operators age 16 years and older with a valid driver's license. ©2017 Textron Specialized Vehicles Inc. 82521-G5
